**GARY SEDDON - ACTING CEO  
AIR NIUGINI**

Gary Seddon - Incumbent Acting Chief Executive Officer for Air Niugini, the National Airline of Papua New Guinea. Gary and his team are presently developing an aggressive fleet replacement program, to introduce new wide body and narrow body jets. In the near term, they are in the process of building production and schedule integrity with additional leased aircraft. Prior to serving with the Executive, Gary held a board position with Air Niugini and had been involved with various roles with Kumul Consolidated Holdings, the SOE Shareholder.
